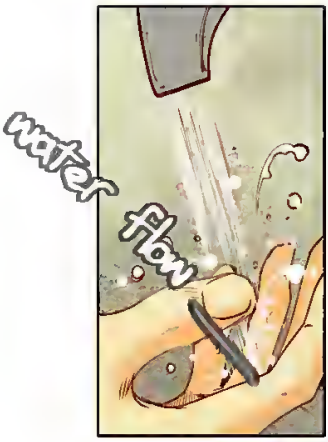
공방의 마녀

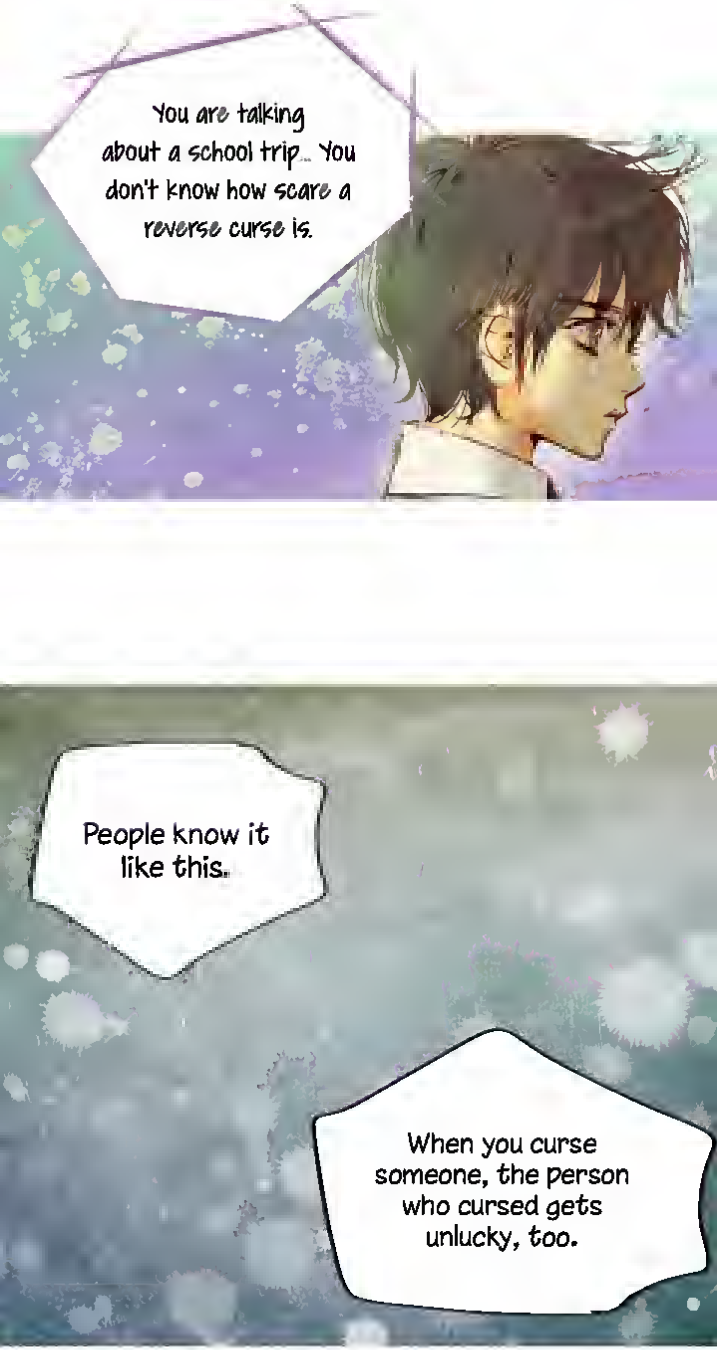
박소희

8화



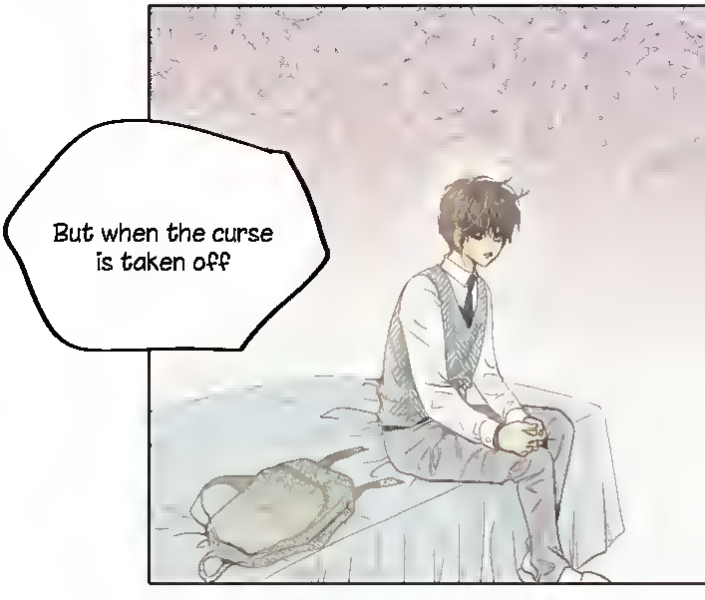
I never went on a picnic because I was following her

I want to go to my last school trip of middle school, father!



You are talking about a school trip... You don't know how scare a reverse curse is.
People know it like this.
When you curse someone, the person who cursed gets unlucky, too.

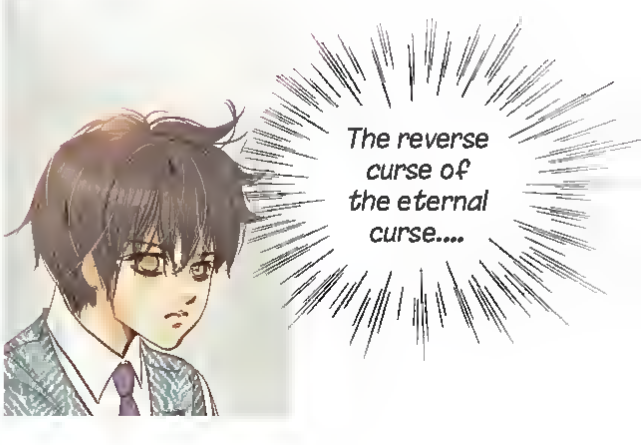
But when the curse is not taken off and is working
There is no curse being bounced back to the person who cast the curse

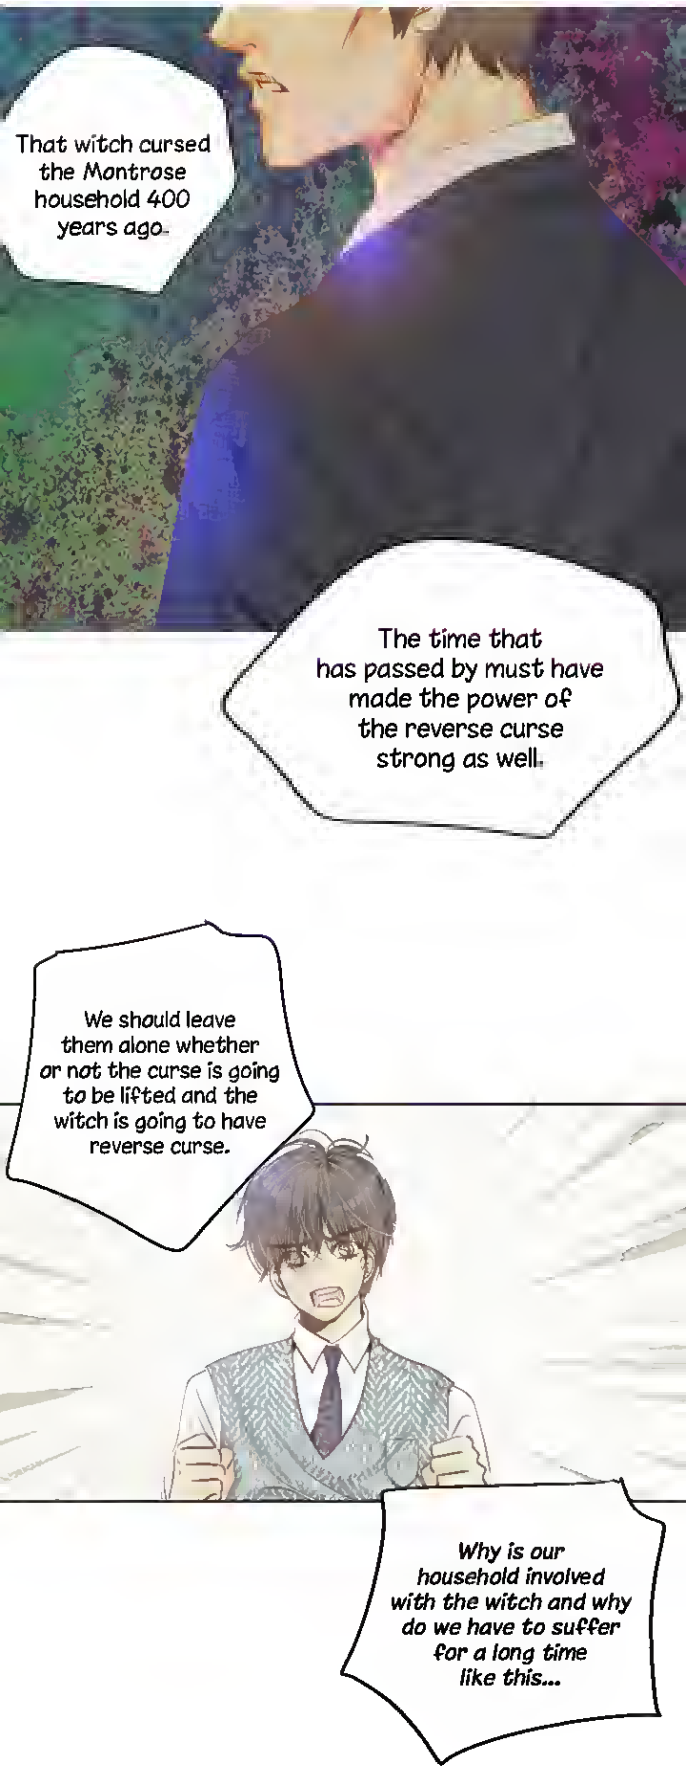


But when the curse is taken off

You get the reverse curse on the person who cast the curse.

When it's not a normal curse, but the eternal curse that is lifted, you get a huge reverse curse coming back at you.

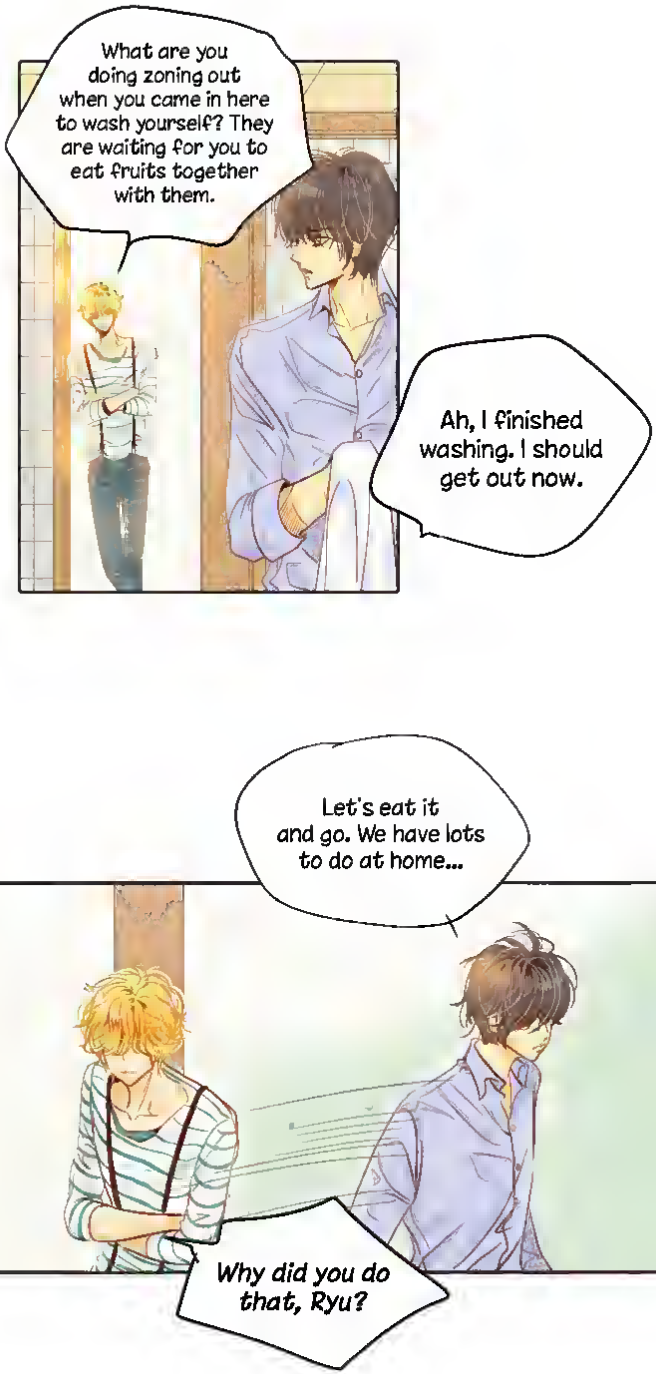




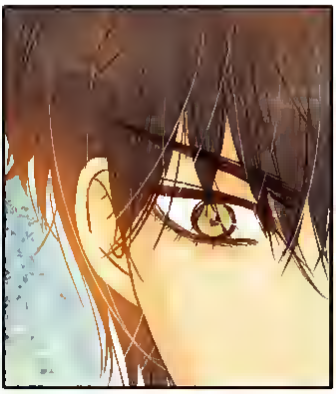
That witch cursed the Montrose household 400 years ago.
The time that has passed by must have made the power of the reverse curse strong as well.
We should leave them alone whether or not the curse is going to be lifted and the witch is going to have reverse curse.
Why is our household involved with the witch and why do we have to suffer for a long time like this...

The reason why our household got involved with the witch was

KNOCK KNOCK



What are you doing zoning out when you came in here to wash yourself? They are waiting for you to eat fruits together with them.
Ah, I finished washing. I should get out now.
Let's eat it and go. We have lots to do at home...
Why did you do that, Ryu?



Why did you act like that before? It's not like you

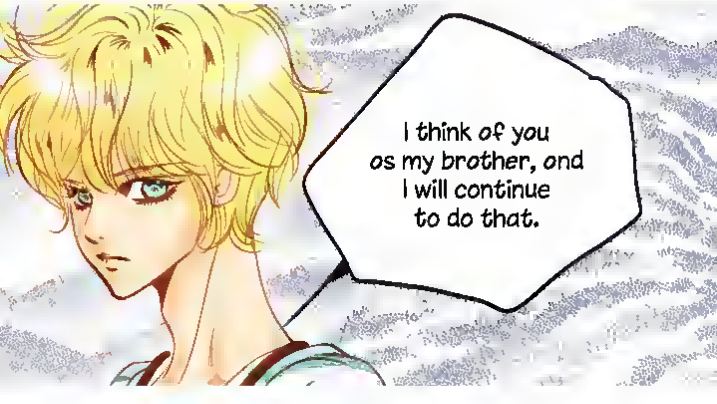
Are you doing this because I ate her wrapped cabbage before?

She seemed so embarrassed, so I sacrificed myself. Why are you still thinking about that?

I've been by your side for 1 year and a half now and you never acted that impulsively.

You suddenly jumped in and kicked. And you are stealing food from other people... It's strange, Ryu

How con o person stoy the some? You changed to o 180 degrees different person when you started drawing.
I like you, Ryu.



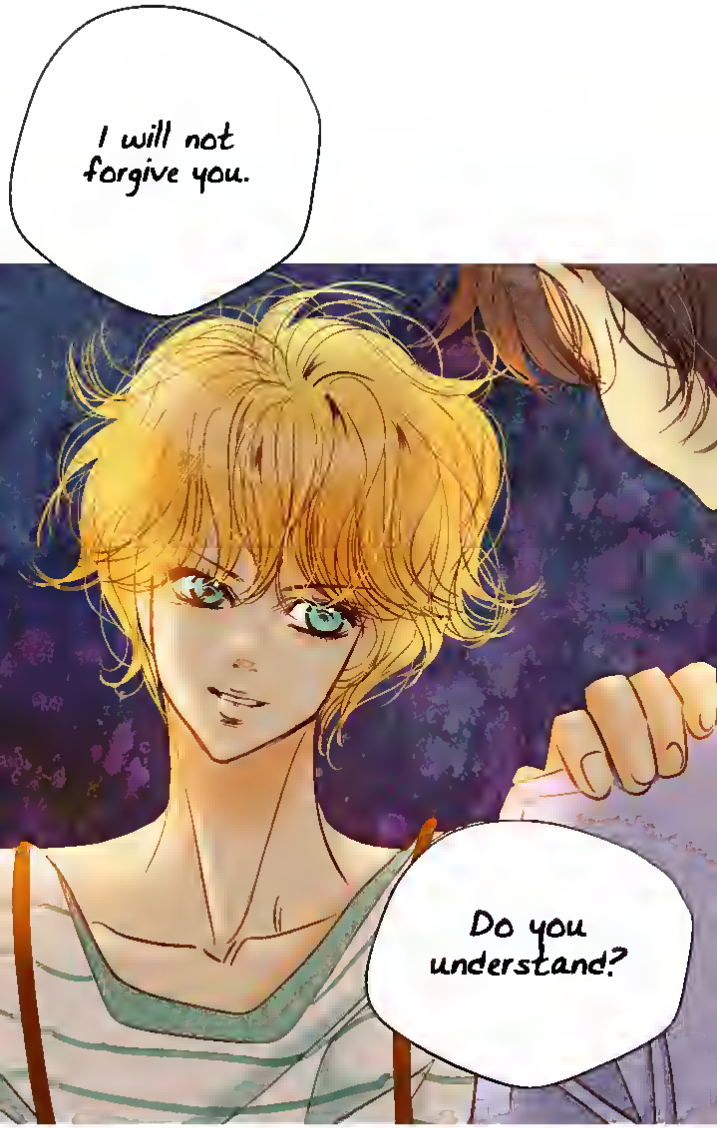
I think of you os my brother, ond I will continue to do that.

So if you show parts of yourself that you have never showed anybody to a girl you only met twice
Well, I can understand and respect that.
What, do you think I am interested in her?

Ryu must know it, too

How much important it is to me to lift this curse
We worked so hard to achieve this.

So if you spoil this by acting impulsively like before...



I will not forgive you.
Do you understand?

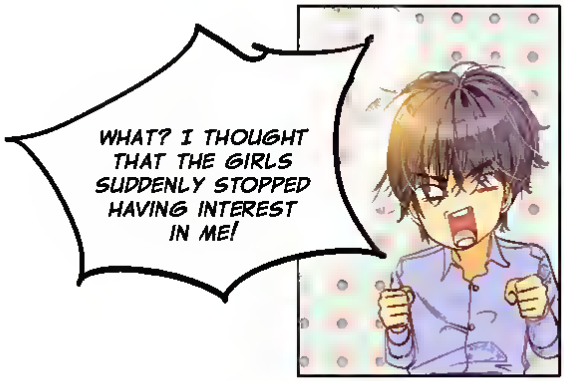
sigh

What do you think of my standards...?this is unpleasant.

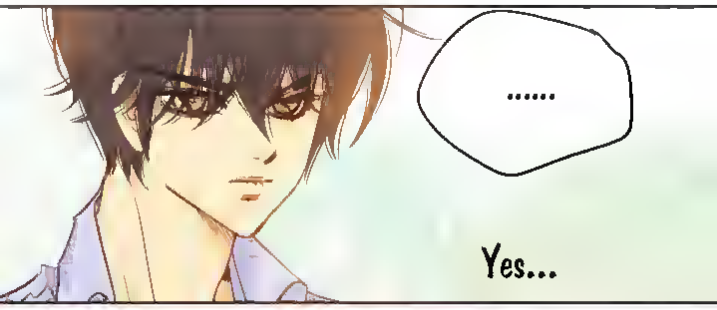
Right... You like only a particular type of women.

They invited you to party and gave you gifts and sent letters... you were strangely popular
When the popular girl in school made a dash at you, you ignored it.

You seemed to not be able to concentrate on home tutoring because the girls were bothering you too much... So I spread the rumour that Ryu and I were in love.

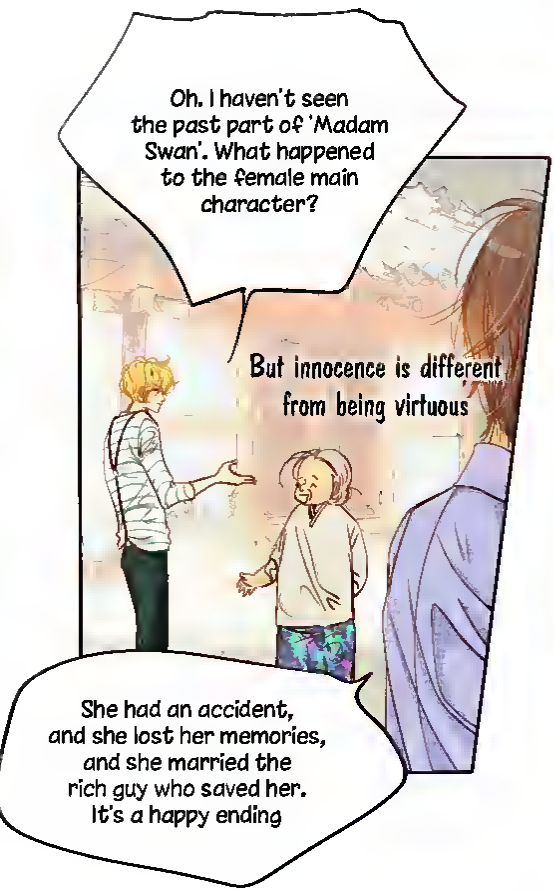


Hey, hey! Let's go.
They are waiting.
You change the subject when you are at a disadvantage



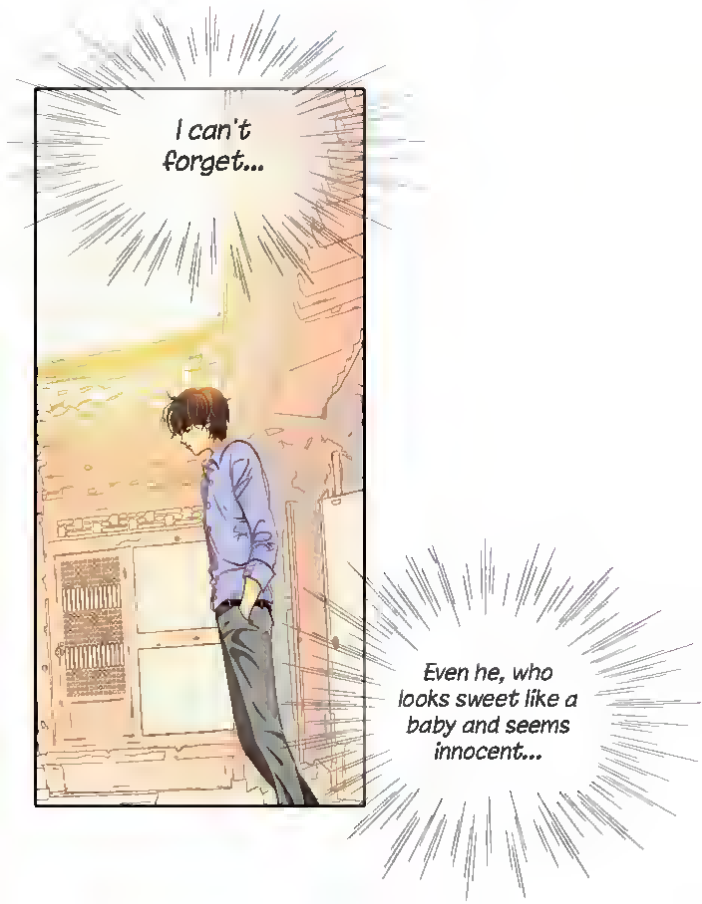
.....
Yes...

...He is an innocent kid.

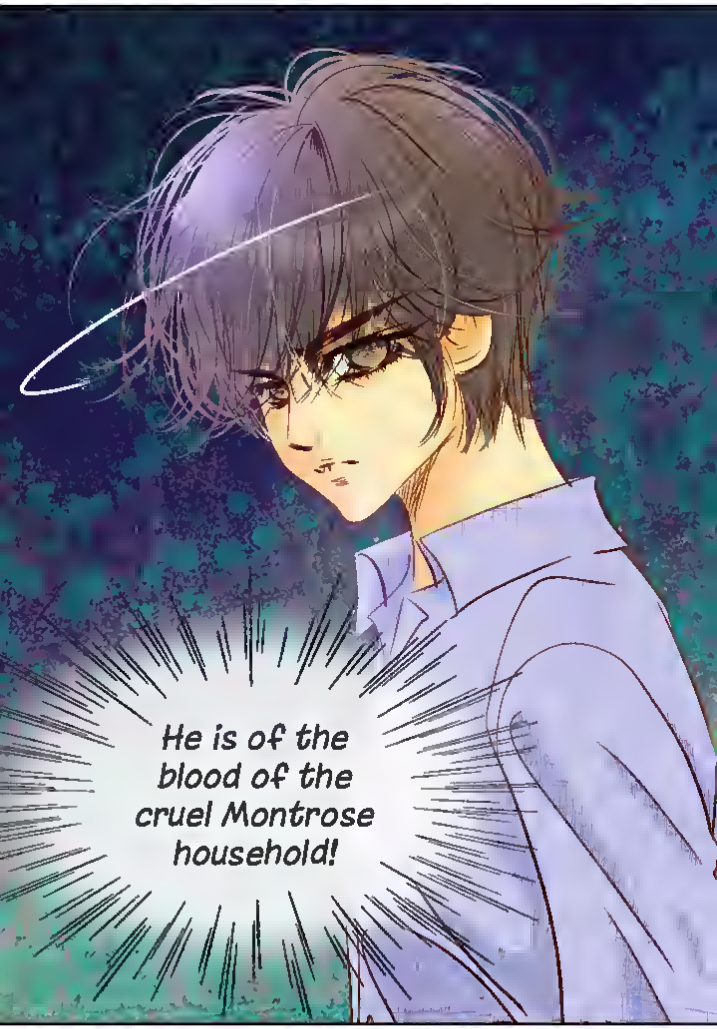


Oh. I haven't seen the past part of 'Madam Swan'. What happened to the female main character?
But innocence is different from being virtuous
She had an accident, and she lost her memories, and she married the rich guy who saved her. It's a happy ending

He is too innocent
I don't know what he is going to do next



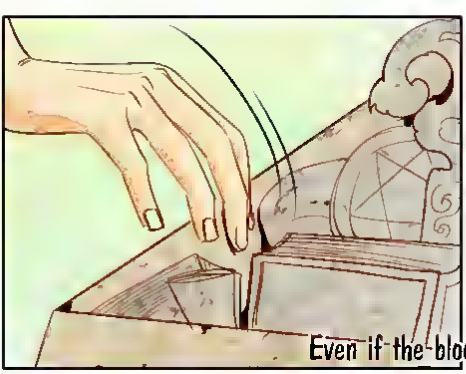
I can't forget...
Even he, who looks sweet like a baby and seems innocent...



He is of the blood of the cruel Montrose household!

THE ARABIAN LOOKING PANTS THAT THE OLD WOMEN ARE WEARING, WE CAN BUY THESE IN VARIOUS PATTERNS AT THE MARKET! DON'T YOU THINK IT WILL BE IN FASHION IF WE GIVE THEM AS A GIFT TO THE ENGLISH NOBLE MADAMS?
It's not arabian pants, but it's baggy pants, baggy pants
Was he just adopted...?

I wanted to forget it and live.



Even if the blood of Mom and me flows something that is branded like a fingerprint.

I didn't want to be tied by the
past which I don't know

Could I do that, mom?

You still plan to sell those?

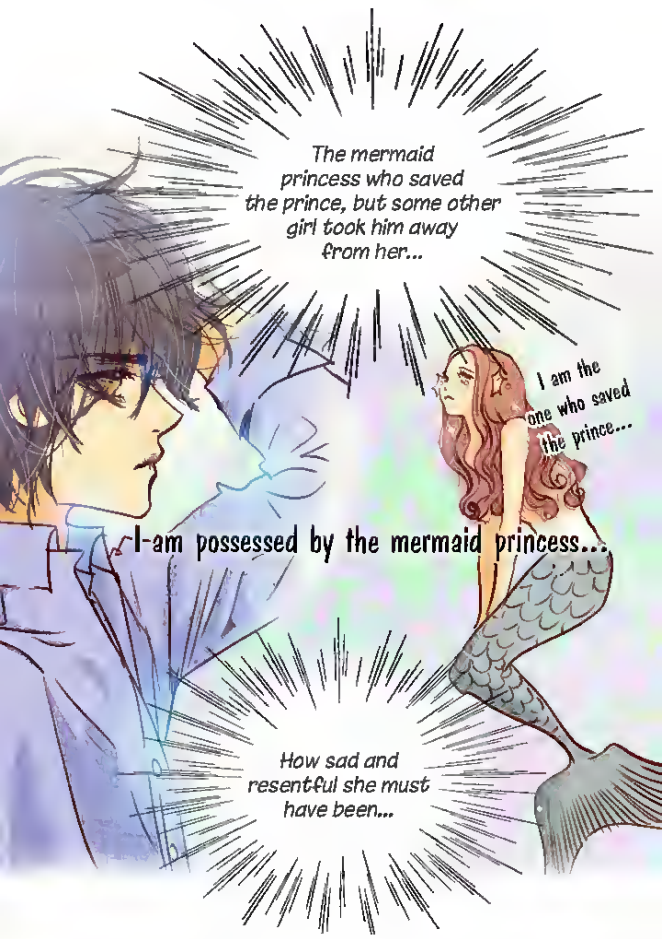
Even if it's a little troublesome, you should leave precious things in its place.
When you throw it away, you are bound to always feel regret.

Even if I am going to regret
I don't want to care about it now.

If you like it, you can take one. You drove off those robbers, I will give you one as a thank you
WOW, REALLY! REALLY? ARE YOU GOING TO GIVE IT TO ME? KYAOH, WHAT WILL BE THE BEST? THIS? THIS?
rustle
rustle
This is the guy who told her to not throw away precious things just a moment ago

I saved her, but he is taking all the benefit

Now I can understand fairytales which I couldn't understand before

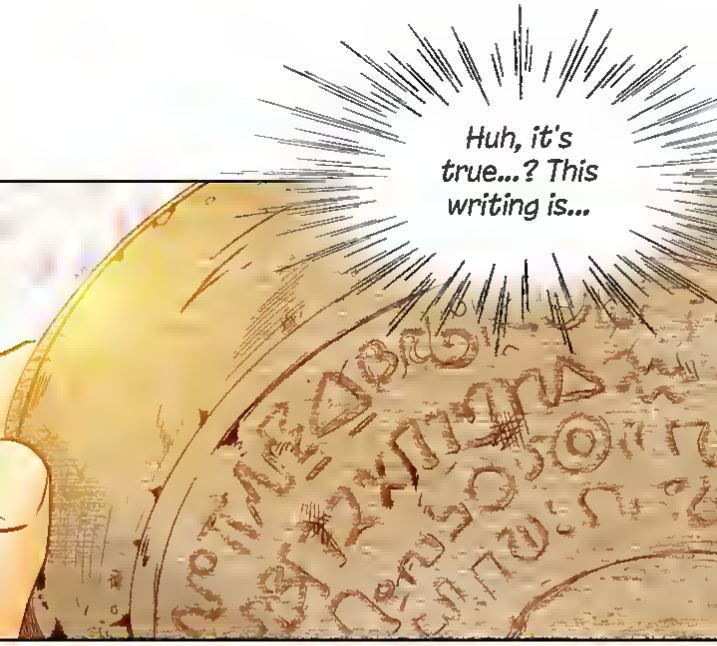


The mermaid princess who saved the prince, but some other girl took him away from her...
I am the one who saved the prince...
I am possessed by the mermaid princess...
How sad and resentful she must have been...

I am going to have this wooden plate. I am going to put fruits in it.

But it looks like something is written here? And it looks like it was written here a little while ago
Huh? Really?

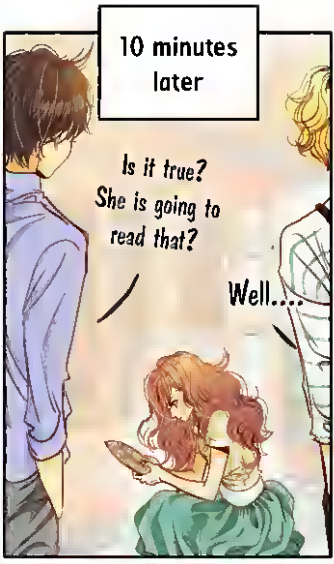
Look, let me see.....
Right? This writing is different from other patterns...



I think I can decipher this!

If I keep staring at it, I might be able to understand it like before...

Ah... Really?



10 minutes later
Is it true? She is going to read that?
Well....

20 minutes later
When you drink milk, put it back in the fridge!
In England, the maid did all that...

30 minutes later
Shouldn't we leave now?
We should. It's late

It is coming in... I can see it more...
Huh? This is....
England?

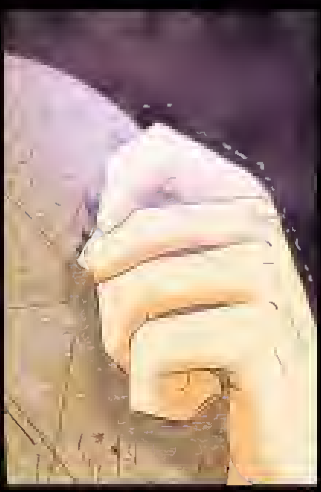
!
Huh?

?

How was it. Did you find something?
Hehe

Who is it...

!



Who are you...?
